Dear Crystal,

Con-oh-weepie? We are writing a letter to thank you for helping us for helping us gain more knowledge about inuksuit. Most of us didn't know there was so much to learn about inuksuit!

Before we began learning about them, we all thought they were a meaningless hunk of rocks! We all really liked seeing all the inuit artifacts you brought in and the conference call you set up with Mark helped us a lot! Thank-you again for teaching us so much and we all hope to see you soon.

Mut-na!
